

NOTICE TO ALL PRO SE PETITIONERS

The 387th District Court conducts all Pro Se uncontested or agreed final hearings and all contested temporary hearings separate from our normal docket.

All final hearings in which the Petitioner is pro se and all contested temporary hearings in which both sides are pro se will be conducted on Friday afternoons at 1:30 p.m. in the Courtroom.

Pro Se Petitioners/Movants must file all necessary paperwork, including proper notice to the other side, with the District Clerk and sign up on the Pro Se docket not later than the Tuesday prior to the day of the hearing. Failure to do so will result in the hearing being cancelled.

This notice does not apply to contested hearings or trials in which the Petitioner/Movant is represented by counsel and the Respondent is Pro Se.
