

## **FORT BEND COUNTY ENGINEERING**

Fort Bend County, Texas

D. Jesse Hegemier  
County Engineer

**RE: Verification Letter  
Building Codes, Certificates of Occupancy, and Zoning Ordinances  
Fort Bend County, Texas**

To whom it may concern:

Fort Bend County has not adopted any zoning ordinances. However, you will need to check with other municipalities or areas within their city limits and Extra Territorial Jurisdictions.

The County does not issue certificates of occupancy and the County has not adopted building codes.

Please contact the FBC Fire Marshal's office for requirements for construction in Fort Bend County at 281-238-1500.

Be advised you will need to contact the FBC Health Department for their requirements at 281-342-7469.

Refer to any deed restrictions that may be found in property deed.

If we can be of further assistance please do not hesitate to call 281-633-7519.

Louis E. Hood, P. E.  
First Assistant County Engineer
